

SCHOOL FEES

School fees for the 2011 - 2012 school year are as follows:

4K & Kindergarten - \$45.00

Grades 1-5 - \$50.00

Grades 6-8 - \$55.00

Students in grades six through eight will be provided a lock and locker for physical education. If the lock is lost throughout the school year a charge of \$3.50 will be assessed to the student. They will also be assigned a locker. Students are asked to keep their lockers clean both inside and out.

Please send a **separate payment for each child**. This fee includes payment for certain instructional supplies needed by each child. If you qualify for free or reduced meals, your school fees are automatically waived. (Applications for free/reduced meals are sent home in the August mailing).

NOTE: Students who have not paid their school fees by the end of the first semester will have their report cards held until their parents take care of that responsibility.
